CHRIS WYNN GEOSCIENCE LTD

CHRIS WYNN
Consultant Geologist

Chris is an individual geological consultant with some 33 years industrial experience including:

- 9 years sedimentology / reservoir geology experience with the Robertson group of companies
- 12 years integrated geoscience / petroleum engineering consultancy (ERC Energy Resource Consultants and PGS Reservoir Ltd)
- 9 years operated and non-operated asset work with Lundin Petroleum based in Switzerland
- 3 years as independent consultant to Lundin Petroleum Head Office

Main areas of expertise are:

- Reservoir geology and development studies, including core based reservoir interpretation
- Exploration reviews, assessments and critiques
- Short term asset evaluation projects in conjunction with other disciplines.

Chris is available for short term studies requiring rapid turnaround.
