

GWL
www.geoscience-wales.co.uk

a recognised centre of geoscience excellence

**GLOBAL GEOLOGICAL
SERVICES LIMITED**

Global Geological Services Limited:

GGSL has provided geological services to both the mining and hydrocarbon sectors since 1991. It's founder and director, Dr. Rob Seago, is a geologist with over 25 years experience in the oil, gas and mining industries and has worked throughout the Middle and Far East, Central Asia as well as Europe and the Americas

Mining Sector

Structural geological analysis

Geological mapping and section building

Geological integration through 3D modelling and I-Sight photo scanning technology.

Geotechnical support for pit slope stability, mine design, planning and development

Core analysis of oriented and non-oriented core

Hydrocarbon Sector

2D and 3D seismic interpretation

Geological mapping and sampling

Regional Structural Studies

Basin analysis

GGSL are associated with Geoscience Wales Ltd (GWL) and have access to further specialist expertise if required.
